The underlined portion can only mean that the means of locomotion are provided by the Co. when that is done the officer is entitled only to daily allowance according to the M. S. R, which now applies to him since he is no longer in the Co's Service, but in that of the govt. He may therefore either travel independently of the arrangements made by the Co and draw T. A admissible under the M. S. R; or avail himself of those arrangements and draw only D. A

from govt. There is no need to draw anything from the co in whose service the officer no longer is working. JD&S 21/11

Collection containing orders that Sri M. Nagesha Rao, General Manager, Government Soap Factory, be permitted to retain the T.A., paid by the Government of India, is placed below:

In my note dated 20-10-1949, I have stated that the arrangements for my journey to and fro Bhadravati were arranged by the Mysore Sugar Company. The Company arranged for accommodation in the train by purchasing the tickets to and fro journey, as one of the Directors of the Company. I am not claiming the sitting fee which would be credited to Government by the Company as usual.

It is therefore suggested that I may be permitted to retain only the T.A. and D.A. paid by the Mysore Sugar Company, instead of claiming the T.A. from the Government. This may be approved.

FINANCIAL SECRETARY, BANGALORE

In the cases of Dr. Raghunath and Sri Nagesha Rao, did the government of India purchase the Ry or air tickets and also pay them the T.A and D.A? In the present case, is it not a fact that the company paid once for the Railway tickets and are proposing to pay T.A and D.A also? This is the essential difference between the two classes of cases; and this point may be kindly made clear.

Buying a Ry ticket is providing means of locomotion. He may therefore be permitted to keep the T.A and D.A given to him by the company less the cost of tickets. This cost should be paid back to the company and the sitting fees credited to govt.
